**McCOY MYERS CELEBRATED AS
COMMUNITY BANKING LEGEND**

McCoy Myers and Associates, a CSI Company, is officially a Legend in the eyes of the Independent Bankers Association of Texas (IBAT).

The Amarillo-based company was recognized at the 33rd annual IBAT Convention in Fort Worth Oct. 2 for its continuing support for community banking across the state by receiving a special Legends Award.

McCoy Myers previously had won the highly coveted IBAT Five Star Award a record six times in a row and was officially moved into its own class—that of a Legend among IBAT Associate members.

“I said it last year when McCoy Myers was presented the Five Star Award for the sixth straight year—the company set a standard all its own,” IBAT President/CEO Chris Williston said. “McCoy Myers has proven year after year to be a true friend to independent banking.”
